- **Communications and Technology** _____
- **Community Engagement** _____
- **Membership** _____
- **Sustainability** _____

Please return this completed form to Nominations@StoneHarborPOA.org by July 1, 2023.

SHPOA Trustee Information

Thank you for your interest in becoming a SHPOA Trustee! Our Trustees are vital to carrying out our mission of keeping our members informed of the happenings with the Council and in the Borough, providing an outlet for their concerns, keeping an eye on sustainability issues, and developing projects that benefit the community. Trustees must be members of SHPOA. They serve three-year terms, beginning in September.

Our committees are as follows:

- **Borough Engagement** – presenting ideas and analysis for effective Borough budgeting and collaborating on projects to benefit the community...
- **Communications and Technology** – creating and sending out the Beach Buzz, Beach Blasts, Council Meeting summaries, maintaining our website, information systems, and social media presence...
- **Community Engagement** – developing projects (other than sustainability which is below) that benefit the Borough, organizing our bi-annual meetings, liaising with other organizations in the area...
- **Membership** – running our many membership drives and developing ideas to attract and retain members, maintaining the membership rolls...
- **Sustainability** – monitoring issues relating to the beaches, bay, water usage, and flooding...

Please see <https://www.stoneharborpoa.org/officers-trustees/> for additional information about the role of a SHPOA Trustee.

SHPOA Membership is growing rapidly! We are looking for a few fresh eyes and unique ideas from property owners with talents in the following areas:

- Civil/environmental engineering
- Information systems & technology
- Financial analysis (particularly municipal) and accounting
- Local/state/federal government
- Legal analysis
- Communications

If you have experience with any of these areas, that's great! But we're also looking for people who are energetic and who are willing to devote 8 to 12 hours per month on SHPOA initiatives. We look forward to hearing from you!
